

ESTEEM

Steps for Successful School Implementation

Compliant with -TX education code 28.004 amended with H.B. No. 1525 & SB 9

1. Present to superintendent, curriculum director, lead counselor/nurse.
2. Board resolution
3. Present to School Health Advisory Council/SHAC.
4. Meet with Campus Principals- show sample implementation plans
5. Hold two public meetings so parents/guardians and others can review the ESTEEM materials. *(Program staff can be there in person or virtually)*
6. School Board adoption of the program. *(Staff can be there in person or virtually)*
7. Administrator signs MOU- *(Each student will receive their own book and teachers will be trained.)*
8. ESTEEM Certification Training. *(1-day)*
9. School sends out parent permission form with an invitation to a Parent Preview Night. Best practices suggest utilizing the parent portal sending out through email and text messages with incentives.
10. Parent Preview Night with FREE resources and student books to review. *(Optional - Build a Parent Tab on school website with resources and parent/family worksheets to download)*
11. Anonymous and Voluntary Pre and Post Surveys *(Optional benefit)*
12. Facilitators/Teachers deliver 10 lessons *(recommended within a 3-mo. period).*
